NỘI DUNG BÀI NGHE (PART I)

Tom: So, what did your club do last year?

Linda: We tutored 3rd grade children and helped old people.

Tom: Fantastic! What did you tutor?

Linda: We taught English and maths.

Tom: Awesome! Was it difficult?

Linda: Yes. But we had a lot of fun.

Tom: I see! How did you help the elderly?

Linda: We cooked for them and did some cleaning, too.

Tom: Great! I'm sure they benefited from it.

Linda: Thanks! It made us feel useful. How about you?

Tom: We picked up paper and bottles in a nearby park. We also planted some trees.

Linda: Fabulous! Did you water them too?

Tom: Sure. We watered them very often the first few weeks and enjoyed watching them grow.

Linda: Glad to hear it, Tom.

Tom: Yes. It was a really good time. We worked and played together, and we learnt some skills, too.

NỘI DUNG BÀI NGHE (PART II)

Healthy habits help us keep fit and avoid disease. Here is some advice.

Eat more fruit and vegetables, especially coloured ones like carrots and tomatoes. They provide a lot of vitamins.

Eat meat, eggs, and cheese, but not too much. You may put on weight.

Drink enough water, but not soft drinks.

Be active and exercise every day. Do outdoor activities like cycling, swimming, or playing sports. They keep you fit.

Go to bed early and get about 8 hours of sleep daily, so you will not feel tired.

Keep your room tidy and clean. Open windows to let in fresh air and sunshine on fine days.
